## President's Message

February....it brings many thoughts/memories to most of us: snow, cloudy, wet, windy, , an extra holiday (President' Day), and valentine's hearts. It is that time of year again. Will we have that snow that we didn't get during December and January? Will we get some snow to help out the ski areas and our winter store of moisture for the summer months? We can certainly count on the cloudy, wet, and windy February occurrences, which we already experienced. Did you do anything special for the long weekend? Do you look forward to showing your loved ones your creative valentine's creation? About 3 years ago I made my wife a triple overlapping wood carved hearts. What have you made for the valentine's season? By the time you will read this we will have already experienced Valentine's Day, but I hope you will bring some samples of your work to share with us at our next monthly meeting on February 24th at the 50+ Senior Center. We all appreciate seeing many wonderful examples of skill made by our members.. You all are AWESOME!

By the time you read this we will have had another Executive Board meeting and I will plan on sharing what we talked about the meeting. My hope was to have at least one of those every quarter of the year. I certainly didn't plan on two meeting in the first two months, but sometimes that is how it all turns out. Ha.

Please remember that our yearly show will be coming up soon (April 11 & 12). If you are interested in a table for showing your great carvings, paintings, wood burning or selling some of your work, please get in touch with Everett Koontz to reserve your space. Non-selling tables will be \$5 each this year for either a 3' or 6' space. If you are going to sell your products the price will be \$5 more than last year. The extra money will be used to improve our show for those attending.

Please remember to bring your carving tools for the February meeting as Dave Disselbrett will be giving us some new carving opportunities to experience.

I am excited about being your president for the coming year. If there is anything that I can do to improve please feel free to contact me. I can be reached via email at: [jbdsaalem@gmail.com](mailto:jbdsaalem@gmail.com) or on my cell phone 503-931-9718. I look forward to seeing you at the next meeting.

Jack Dalton
