CHRISTMAS TREE ORNAMENTS AND DRAWINGS

Remember that the Center 50+ is selling chances to win the tree covered with the ornaments carved by club members. The cost is \$10.00 per ticket. The plan is to only sell 300 tickets—so get yours in early. Tickets are available at the front desk as you come into the center. The drawing will be at the Center’s Annual Christmas function on Wednesday, December 2, 2009. For each ornament donated, the carver will receive a chance at the drawing held at the November meeting for gift certificates to Drake Tools and Cascade Supply.

ELECTION OF 2010 OFFICERS

A nomination for officers took place at the October meeting. The nominations were seconded and the membership present at the meeting approved their induction. Since there were no others wishing to hold these offices, a formal election was not required according to the bylaws of the club. The new officers will assume responsibilities in January. Please welcome our new officers for 2010!

President: Jim Harris
Vice-President: Michelle Graham

Secretary: Laurie Ladd
Treasurer: Jim Boatman

UPCOMING SHOW MEETING

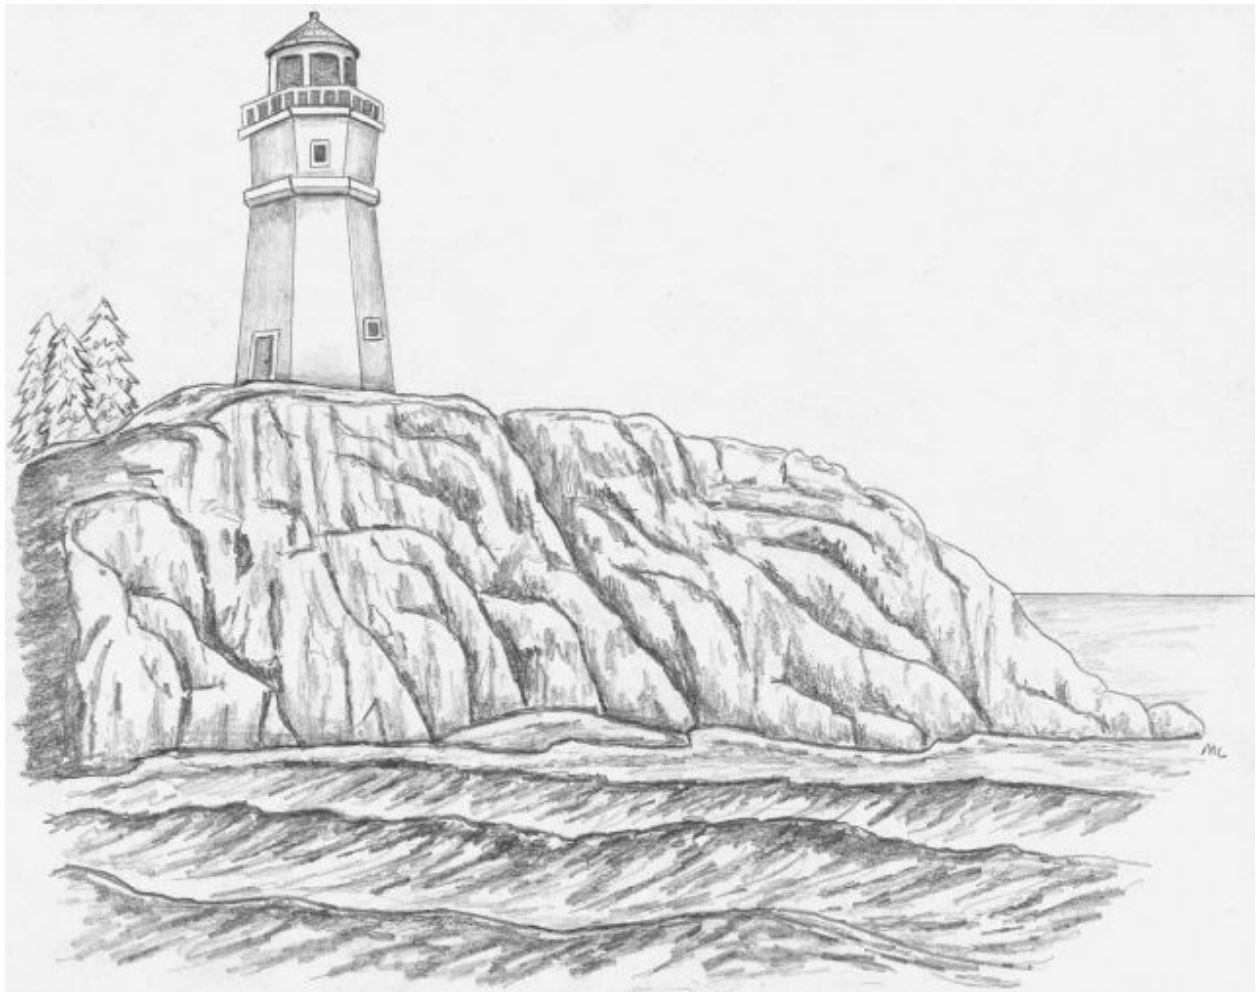

Friday, January 22 at 2 PM there will be a Show Committee Meeting. If you are interested in being on this committee, please attend the meeting. Dan Henry, the Chairman, is in need of volunteers for all aspects of the show. Contact Dan at dhenry62957@yahoo.com or call 503-371-6101.

A CALL FOR DEMONSTRATORS

We are asking all members if they would like to demonstrate a project at a meeting. Being an “expert” is not a requirement. If you have discovered a new way of doing an old technique, please share it with the members. Or, if you know someone, member or not, who does something “special” with wood (painting, burning, cutting, etc.) ask them if they would share their knowledge with us. Please contact either Jim Harris or Michelle Graham to volunteer or to obtain more information.

NEWSLETTER AND E-MAIL

The newsletter is currently costing the club about \$140 a month to mail. To help save our club money, Michelle is offering an alternative to mailings, e-Mail. At the October meeting, the response was overwhelming favorable. Please be assured those who wish to receive their copy through the mail will still be able to do so.

Another advantage to receiving the newsletter via e-Mail is that if a colored drawing or photo is included, you will receive it in color and online links will be active.

If you wish to receive the newsletter by postal service – do nothing! You do not have to let Michelle know. Only those who e-Mail me will receive a copy by e-Mail.

1. In order to receive an e-mail version, you will need Acrobat Reader. Most computers have this program already. If yours does not, you can download a **free** version for your Mac or PC at <http://get.adobe.com/reader/> Be sure to scroll down and uncheck the box that says *Free McAfee Security Scan (optional)* if you do not want the scan.

Follow the prompts to complete the download. Again, you may already have Acrobat Reader on your computer.

2. The next step is to e-mail Michelle. Once she receives your e-mail, she will place it in a group folder. The e-mails are sent in such a way that your address will not appear to other receivers. Michelle's e-mail address is, mg-graham@comcast.net
