President's Message

Happy New Year Capitol Woodcarvers,

Wow, that was fast! Weren't we just talking about the Woodcarving Rendezvous, raking leaves, and carving pumpkins? And now here we are with Christmas in the rear view and already standing in a New Year. I hope that your holiday season was filled with joy and that you are looking forward to a prosperous 2023.

What a pleasure it was to see so many of you at the New Year's Eve dinner. In case you missed it, we packed the house with at least twenty-four members of our club. We had a great time telling stories and learning a little more about each other. Yes, we even talked a little about carving. The camaraderie shared by our members is truly special. It was a memorable evening for sure. Some of our conversation centered around our shared excitement for the Coastal Carvers show in just a couple of weeks. Many of you will be there and I will look forward to seeing you.

It won't be long before we start planning for our own show on April 1st and 2nd. Watch the newsletter and your emails for information and ideas on ways you can help. If you have ideas on how we can improve upon our show, we'd love to hear them. Please reach out to me or Kathy Dalton and let us know.

The New Year means that it's time to start pestering you about your club dues. If you've already paid, then please disregard. But for the rest of us, please do your part to promptly make yourself current. It will be

Club Meetings

appreciated.

We have a great program scheduled for our January meeting. Our very own Don Fromherz will be presenting. It will be another good one. With just a couple of exceptions, most of our 2023 program calendar is wide open. If you have ideas, contacts, or maybe you want to present, please reach out to our Vice-President Don Curry, and let us know. We'd love to hear from you.

I leave you with just a couple of my favorite New Year quotes..."I was going to quit all my bad habits for the new year, but then I remembered that nobody likes a quitter." And my favorite, "May all your troubles last as long as your New Year's resolutions."

With my very best wishes for a happy and healthy 2023
Terry

Plan on Attending the Next Club Meeting

January 31 at Center 50+

It will be a good meeting. Don Fromherz will be presenting/demoing pattern transfer and finishing methods. The presentation will include a carve or take-home Valentine project utilizing a chip, detail, or exacto knife.

Please bring your Show and Tell items for display at this meeting. It is a highlight of every meeting to see what members have been working on.

Please note that Club Dues for 2023 can be paid at the Club Meeting or online. <https://capitolwoodcarvers.org>
