President's Message

Hard to believe that it was a year ago in November that I was elected to be the President of Salem Capitol Woodcarvers. It has been a real honor serving in this position and feel blessed to have been selected. Most of you realize how much I love the microphone but all good things must come to a end. My job was made easy with my staff and a special thanks to Jack, Donna, Bill, Bob and the members at large who helped me get over any of the rough patches that came along. With the election this month I hope all of you will find time to vote for the candidate that you feel will best fill the position.

During the last meeting we decided to add a place in our news letter for items for sale that pertain to wood carving or wood burning. Lets take advantage of that.

Once again I just want to thank one and all for making my term a wonderful experience.

Happy Holidays to All.
