## President's Message

Ok, it's time for the spooky month filled with all the little goblins running around ringing door bells and demanding their fair share of treats or else you pay the price. Interesting that we teach our sweet innocent ones extortion at such a young age. Ah well, I remember with pleasure the excitement of Halloween when I was a boy and how I would drive my parents crazy telling them how I wanted to dress up. Coming home with a big pillow case full of candy and not having Mom and Dad go through it making sure it looked safe and taking you to only the houses they know and trust. Yep! Things have changed but our children and grand children will still be building memories and dreaming of Halloween night. My hope is that their children will still get to indulge in the fun of trick or treat. I know we or at least I have a tendency to think about turning off the front porch light and not answering the door but then I think about how excited the little ones are so once again I have made my pilgrimage to the store and purchased my bag of one hundred fifty assorted candies to pass out. Yes, I still get upset when a fifteen year old comes to the door or a bus drops off children from out of the neighborhood but I had my time and so I suck it up and pass it out.

Now for a quick word about our club..... This meeting coming up we will be nominating people for offices in the club. Lou Wakefield has volunteered to handle this but please understand that any one can be nominated for any of our officer positions. If you feel you know someone who would do a great job please check with them first to make sure they would be willing to take the office then during the meeting you can nominate them and if you are interested you can nominate yourself or tell Lou that you would like to be considered.....lets not be shy.

Only one more news letter to go for me to put in my two cents worth so I'll really give it some thought for next month.

Frank

**Help Needed:** Still looking for some Coffee makers/clean- uppers. Are there a couple of people in our membership that would like to help us out by taking responsibility to make the coffee/cleaning up at our remaining meetings? We would prefer someone that drinks coffee regularly so they kind of know what they are doing...Ha. Seriously, our President Frank has been making the coffee and cleaning up the last few times. He has more than enough things to do without being responsible for making coffee/clean up. We sure would appreciate the help of a couple of people! This is a nice way to become more involved in your carving group and give a little back for all the education and help the club has provided for you....our dedicated members. Thank you.
